Vietnam Orientation Material

25X1A6c Reference [REDACTED] 3427 dated 29 November 1966

25X1A We have apparently never received a reply to paragraph two of reference requesting that you send us the syllabus for your [REDACTED] orientation course. We understand that new arrivals receive a period of orientation prior to actual assignment within the Station. It is the syllabus of this course which we would like to receive since it may assist us in improving the counter-part course given at Headquarters. We would welcome a brief description of the orientation you provide new personnel, a copy of the syllabus if available, and samples of any materials handed out for use or study.
